We The Student Body
Of Dinuba High School
In The Year Nineteen Hundred And
Sixty-Six Dedicate This Annual
To
Mr. John Gerow

Mr. John Gerow has been with Dinuba for thirty nine years. He started out as bus mechanic and transportation manager. He started working in 1927, and in 1943 he was asked to teach a night class of 18 and 19 year old boys. He was to teach them the basic mechanism of tractors and other farm machinery. Later he was to teach Auto Mechanics, half a day for ten years. And finally in 1949 he started teaching Driver's Training, for thirteen years. He has enjoyed teaching since he first started. He attended U.C. to get his credentials, and also attended Fresno State.

He was born in Hanford, January 1, 1901. He lived there until he was eleven years of age. Then with his parents, they moved to a ranch in Sultana and lived there for ten years. Before he finished high school both of his parents passed away. His father died in the August of 1921. He quit school to help his widowed mother for two years.

John Gerow was married in October, 1921. He and Mrs. Gerow have lived in their present residence

for thirty four years. They have two daughters, Mrs. Rosalind Cessler, and Mrs. Georgia Lee Klassen. Mr. and Mrs. Gerow have seven grandchildren, and two great grandchildren.

He has many hobbies, some of them are fishing, hunting drift wood, rock hunting, hiking, and he enjoys the mountains very much. He and his wife have a cabin at Huntington Lake, they also have a boat, and a trailer house which they use on their annual trips to the coast for a week.

He has created some very interesting pieces from drift wood. He has a very creative mind, which is very impressing.

He has no plans, except to live with what happens to come his way.

So in behalf of this respected, interesting, admired, and friendly teacher, we dedicate this 1966 Delphic Echoes to him.

Dear '66 Graduates

Now that you are graduating, we shall attempt to pinpoint the highlights of your senior year. School opened with the usual enthusiasm by seniors last September. Approximately 190 of you enrolled. All of you were not destined to finish the school year. Your acceptance of change in the curriculum which included the revolving schedule was refreshing.

Your school spirit was good and the attitude of the class was something of which we were all proud. That championship basketball team composed of a majority of seniors was something that all shall remember for many years. The senior gift of glass backboards for the gymnasium was needed and appreciated by the school. The Senior-Freshman Assembly dominated by '66 seniors was the best in the history of the school.

The academic achievement of the class was high, and space does not permit the details. With this background, we do not envision scholastic difficulties for the majority of the class as you pursue your academic goals.

The faculty and administration at DUHS feel proud to launch your class into this marvelous age of change and space. Your horizons are unlimited.

Best wishes

C. S. F.

The C.S.F. is the local chapter of the California Scholarship Federation, which has as its objective the encouragement of all students to develop their talents to the utmost, and to accept in full the right of a full citizen.

The C.S.F. recognizes the merit of scholastic accomplishment and invites the membership of any student who is eligible during his sophomore, junior, or senior year. Freshmen qualify for associate membership but they must be taking a foreign language and Algebra to qualify.

To be a life member of C.S.F. a student must earn membership for four semesters, one of which must be during the senior year. Life members are given the life membership pin at graduation, and their high school records are stamped with the seal of life membership.

"66" Class History

The Class of 1966 began it's freshman year with great enthusiasm as most freshmen do but we soon showed our enthusiasm in our Freshman Assembly entitled "The Quite Village." The setting was deep in the jungle of somewhere with abundant talent everywhere that was awarded a second place. Leading us through our plebian year were Gary Nakashima, President, Steve Biswell, Vice-President, Linda Blair, Secretary-Treasurer and Frosh advisors Mrs. Luna and Mrs. Womack.

Those that carries the reins our sophomore year were Paul Slavin, President, Steve Yammamoto, Vice-President, Kathy Shiflet, Secretary-Treasurer, and Mr. Day, our advisor. We went feuding through our Sophomore Assembly "The Hat-fields and the McCoys" which bestowed upon us first place. Sophomores Ginger Felts and Fred Goehring were the queen and king of the Heart Hop.

As juniors we made our stage debut in the comedy "The Many Loves of Dobie Gillis" while breaking in the new director, Mrs. Shirley Slusher. The Milky Way Saloon in Guernsey Gulch was the setting for the One Stranger and the Junior Assembly which placed second. The Junior-Senior Prom was magnificently produced following the theme "In The Misty Moonlight" with a touch of reality in the form of five goldfish in the bubbly fountain. The junior class also presented the Junior-Senior Banquet with the festive theme "Mardi Gras". Presendential authority was wielded by Reggie Robinette with his assistants Vice-President Kathy Steele and Secretary-Treasurer Jean Coffey. A watchful eye was kept on us by junior advisors, Mrs. Simons and Mrs. Womack. Our Boy's State representatives were Steve Biswell and Dennis Highfield. Girl's State representative was Kaylene Steele.

After surviving such drastic changes as one-way stairs, the now mighty seniors blazed on to glory in the "Revolving Schedule". Helping us hobble along were President, Paul Slavin, Vice-President, Luke Pope, Secretary-Treasurer, Kathy Shiflet and pushing from the rear our advisor, Mr. Kiehn. Also assisting were the Senior Council. We did our bit toward better world understanding by being host to an AFS exchange from Norway, Kari Dalane. After beginning with a treasury of minus ten dollars we diligently labored to increase our funds by selling coffee at football games, selling delicious almond candy, scouring the town for pop bottles, and passing the hat in civics classes. So the Class of "66" left its mark in the big gym by installing glass backboards. And wonder of all wonders, glory of all glories, splendor of all splendors, the Dinuba Emperors were basketball champions of the West Sequoia League! This year through the combined efforts of the seniors and the freshmen of the "the best variety shows we have had the pleasure of witnessing in or on the Dinuba High School stage for several years" (Mr. Cates and Mr. Asher) was offered. Senior Karyn Dennis made a radiant and active Raisin Day Queen as well as serving as Section VIII FHA President. Senior Dress-up Day, and Ditch Day provided outlets for excitement as graduation neared. Baccalureate on May 29, and commencement exercises on June 3, turned us loose on an unsuspecting world.
